Do you want to let go of the past?  
Would you like to have more energy in the here and now?  
Would you like to feel inner peace?

Then join the Radical Forgiveness Ceremony.

Based on a Native American healing circle ceremony, this largely non-verbal process preserves privacy and anonymity, yet has proven itself to be extremely powerful and effective in allowing people to forgive themselves and others, and to find peace and happiness.

We walk the circle once to silently honour and witness our „story“ of what happened. As we see others walk too, we realize we are not alone and we honour their pain. After hearing a special Radical Forgiveness Story, we walk the circle again and ask inwardly to come to a new place of forgiveness and peace. Believe me it works. Don't miss this. It is entirely non-threatening and yet is quite likely to change your life forever.
